As Governor, I am pleased to extend my wishes to all in attendance at the
San Antonio Independent Christian Film Festival sponsored by Austin
County Ministries.

Festivals have been a pleasure for independent filmmakers. I applaud
the artists for their passion and commitment to artistic excellence. I will
commend the festival's organizers and participants for their dedication and
support of the arts.

Faith plays a central role in the lives of many Texans, so encouraging and
providing the strength needed to meet the challenges of each new day. This
festival serves as an affirmation of faith and reinforces the role of faith as
an avenue of expression and celebration.

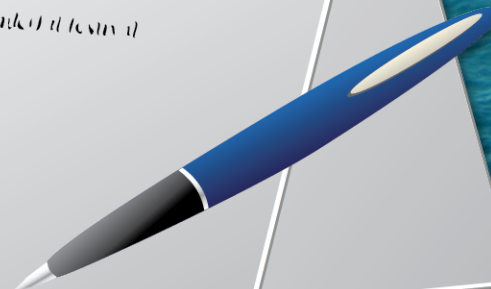

To those of you from out of town, I hope that you will take the time to
explore and enjoy San Antonio. From fine restaurants to its world
renowned historic and cultural attractions, the Alamo City has something
for everyone.

And I send you best wishes for a wonderful festival!

Sincerely,

Governor
