TT CLUB
established expertise

The TT Club is the international transport and logistics industry's leading provider of insurance and related risk management services operating since 1968.

TT Club specialises in the insurance of liabilities and equipment for multimodal operators. Customers range from some of the world's largest shipping lines, busiest ports, biggest freight forwarders and cargo handling terminals, to companies operating a handful of vehicles. With so many different categories of customer around the world, the TT Club has learned to work closely with brokers to tailor insurance packages that meet individual needs.

ITIC is the world's leading insurer for professionals who provide services to the transport industry

The role you perform is often complex, always critical and invariably subject to a high degree of exposure and responsibility if things go wrong. So, you need to make sure your insurance is right.
